#### The Betty Boop Collection!

Betty Boop is an animated cartoon character created by Max Fleischer, with help from animators including Grim Natwick. She originally appeared in the Talkartoon and Betty Boop film series, which were produced by Fleischer Studios and released by Paramount Pictures. "The concept that Betty Boop grew out of and reflected the Jazz Age culture of her time is absolutely true, yet, as history shows, she was not modeled after any single performer," Fleischer said. The number of

amazing artists and performers who created that great era and who are embodied in Betty Boop is so large that it's impossible to single out any one great talent as her inspiration.

Betty Boop debuted on August 9, 1930, in the Fleischer Studio's cartoon short "Dizzy Dishes," where she appeared as an anthropomorphic dog performing on-stage at a jazz club full of other anthropomorphic animals. In that debut, she didn't say anything, but her high-pitched scat-singing style and scandalous little black dress and a visible garter stole the show. Audiences demanded that she appear in more cartoons. Her puppy-dog eyes became smaller and rounder, and her floppy dog ears were replaced by hoop earrings. By 1932 she was starring in her own series of Betty Boop cartoons, produced by Fleischer. This vintage collection with a one-of-a-kind Betty Boop jacket cannot be duplicated but can be yours for the right bid!

1 magnum each (6 total) Vertical Collection

*Plus: Private behind-the-scenes tour and seated flight tasting for FOUR*

*Valid to 5/14/23 at a mutually convenient time.*

Tablas Creek Vineyard is a pioneer of California's Rhone movement. In 1989, after a decades-long friendship, the Perrin family of Château de Beaucastel and the Haas family of Vineyard Brands bought an estate in the limestone-rich Adelaida District of Paso Robles. The site was chosen for its similarities to Chateauf-neuf-du-Pape, and the vine material was imported from Beaucastel at the project's outset. Tablas Creek's vineyards are Biodynamic and were the first to be granted certification under the Regenerative Organic Certified Program. A mobile herd of sheep and alpacas builds healthy soils, while native yeast fermentation and aging in large neutral oak foudres produce Rhone-

style varietal wines and blends of character and place.

Esprit de Tablas (formerly Esprit de Beaucastel) is the winery's flagship Southern Rhone style blend showcasing the deep red fruit and mid-palate richness of Mourvèdre, with additions of Grenache for lush fruit, Syrah for dark spice and structure, and Counoise for brambly spice and acidity. These outstanding wines are only matched by the experience you have during your special visit to the winery.

winemakers, and all in a magnum format for your extended enjoyment.

2016 The Setting Cabernet Sauvignon Alexander Valley is soft and supple, with strong flavors of blueberry and mocha. Lush, rich and creamy on the palate, it has broad appeal and understated complexity. The name, L'Amé du Sage, is a French phrase for soul of the wise man, paying homage to the century-old vines that distinguish this wine. With luscious raspberry and blackberry flavors entwined with black pepper and spice, 2019 Lasseter L'Amé du Sage is a wine that will not soon be forgotten. 2015 Robert Foley Cabernet Sauvignon Howell Mountain was born in the vineyard blocks that surround the winery facility at 2000 feet elevation on Howell Mountain. Ripe black cherry aromas and flavors accompany a flood of texture across the palate. This mountain Cabernet Sauvignon will continue to bottle age gracefully for many years to come.

**2014 CIRQ Pinot Noir Bootlegger's Hill**

**2015 CIRQ Pinot Noir Treehouse Vineyards**

**2018 CHEV Pinot Noir Etched**

*1 magnum each (3 total)*

CIRQ and CHEV'S founder and proprietor Michael Browne says, "Each vintage we celebrate what Mother Nature has provided and embrace the different elements of the season. Our goal persists, to craft the finest Pinot Noir possible from exceptional vineyards from our backyard- the ultimate expression of this magical region." Antonio Galloni observes, "'The 2014 Pinot Noir Bootlegger's Hill is super-expressive today. Silky and pliant, the 2014 is showing beautifully. This is an especially gracious, silky Pinot Noir for Russian River.'" The redeeming feature of the 2015 harvest

was the quality of the fruit. Powerful, with fine tannins that envelope the palate. 2015 CIRQ Pinot Noir Treehouse Vineyards is grand and highly structured, with a lingering finish of blueberry, cherry and cranberry. The opulent 2018 CHEV Pinot Noir is jam-packed with red- and black-fruit flavors on a polished, broad and mouth filling texture that gradually releases red-cherry, black-cherry, raspberry and rhubarb flavors, while boosting meaty, savory, forest-floor notes as well. Three distinctive Pinot Noirs in a coveted magnum collection.

Released only in magnum and a blend from multiple vineyards, the 2019 Cabernet Sauvignon Rarified Air is another pure, seamless, incredibly impressive wine delivering those classic Napa Valley cassis and blue fruit nuances with graphite notes. It's another sensational wine in the lineup that can be enjoyed any time over the coming decade or more. With thirteen perfect 100 point scores to his name, Mike has twice received the most 100-point scores from Wine Advocate in a single vintage, and he has received numerous professional honors from Wine Advocate, Jeb Dunnuck, Vinous, and Wine Spectator.

**2008 Au Bon Climat Pinot Noir Knox Alexander**

*13.0L each*

Jim Clendenen is recognized as one of the lions of the wine industry, as both an enthusiastic ambassador and as a guiding light for the Santa Barbara County wine region. He was essential in elevating Burgundian varietals on the Central Coast early on and continued to be a driving force throughout his life. He continually looked to fine tune his craft and consequently led the pack. Articulate, knowledgeable, well-traveled, passionate, and uncensored with a biting humor, Jim was an icon that wine cognoscenti gravitate to. On May 16, 2021 Jim passed away in his sleep. The void Jim left is huge, but his legacy continues. The winemaking team remains in place. In addition, Jim’s children, Isabelle and Knox Clendenen (for whom these wines are named), are gearing up to take the reins and move forward.
